Application

After you have exercised the <u>Option to Purchase (OTP)</u>, you and the sellers must submit the respective portions of the resale application and the necessary supporting documents via <u>My Flat Dashboard</u>. Salespersons may submit resale applications on behalf of their clients via <u>e-Resale</u> or <u>Estate Agent Toolkit</u> (for agencies which are subscribers).

Upon receiving the resale application and supporting documents, HDB will verify the information provided by you and the sellers. Both parties must ensure that they are eligible for the transaction.

If the application and documents are in order, we will notify you and the sellers of HDB's acceptance of the application via SMS or email. Thereafter, it will take about 8 weeks to process the application and complete the transaction. This is the earliest possible date to complete the transaction. If you wish to defer the completion, please discuss with your sellers and let us have a written confirmation (signed by both sellers and buyers) via MyRequest@HDB.

When to submit the resale application

You and the sellers may proceed to submit the resale application and the necessary documents after you have exercised the OTP.

Both parties must submit the respective portions of the resale application and all the necessary documents, according to the following time-specific requirements:

(i) Submission by the second party within 7 calendar days

Either you or the sellers may submit the respective portion of the resale application and the necessary documents first. Thereafter, the second party must submit their portion within 7 calendar days. If this is not done, the application will lapse and both parties have to restart the application process and pay the application fees.

(ii) Submission of application to HDB (according to Clause 12 of the OTP) Under Clause 12 of the OTP, you and the sellers have agreed on the timeframe to submit the resale application to us.

This is a contractual term between you and the sellers. Any variation requires the mutual agreement of both parties

A resale application is complete only when HDB receives both buyers' and sellers' portions of resale application and the necessary supporting documents. Otherwise, the application will lapse and both parties have to restart the application process and pay the application fees. Application fees are non-refundable.

Additional Information

Manner of holding

If there is more than one buyer in your resale application, you must state the manner of holding to determine the share of ownership of the flat.

~

Joint Tenancy

All the flat owners have an equal share on the flat regardless of how much each co-owner may have contributed to buy the flat.

The right of survivorship applies. This means that should any co-owner passes away, his/ her interest in the flat will be automatically passed on to the remaining co-owner(s). This is regardless of whether a will has been made by the deceased co-owner.

Tenancy-in-common

Each co-owner holds a separate and definite share in the flat. Nevertheless, all the co-owners are entitled to use the whole flat, regardless of their share.

The right of survivorship does not apply. On the death of any co-owner, his/ her interest in the flat will be distributed according to his/ her will (if any). If there is no will, the interest in the flat will be distributed to his/ her beneficiaries in accordance with the Intestate Succession Act.
